ON-DEMAND SESSIONS

AVAILABLE

8/6/2020 - 8/1/2021

WITH APA

CONVENTION
REGISTRATION

- **Innovations in Treatment for Assaultiveness and Self-Injury in Residential Care**

Marc Hillbrand, PhD, Rafael A. Gallegos, PsyD, Erika Carr, PhD.

This symposium will focus on describing a novel treatment model developed to treat individuals in residential care who engage in recurrent aggressive behaviors including harm to themselves and others.

- **Introduction to the MMPI-3**

David McCord, PhD, Paul Ingram, PhD, Yossef S. Ben-Porath, PhD, Antonio E. Puente, PhD, Martin Sellbom, PhD, Dustin B. Wygant, PhD, Ryan J. Marek, PhD, Paul A. Arbisi, PhD.

This program introduces the MMPI-3, presenting the scales and features of this instrument, with a focus on implementation and actual interpretation skills in multiple domains, including general clinical, forensic, health, and medical settings.

- **Update from the Advisory Steering Committee (ASC) on APA's Clinical Practice Guidelines**

Marni Axelrad, PhD, ABPP, Nayla Hamdi, PhD, Brandon Gaudiano, PhD, Donna Rasin-Waters, PhD.

The goal of this town hall is to increase the communication between ASC and APA members in order to provide meaningful information about the past, present, and future of clinical practice guidelines.

- **Over 60 Professional and Student Posters**

Topics include: Extending Multicultural Assessment Approaches to Immigration and Asylum Evils, Clinical Considerations for Treatment of Substance Use Disorder in U.S. Rural Communities, Undergraduates Teaching Mindfulness to Kindergartners, Mental Health Response Survey for Puerto Rico Following Hurricane Maria, Cultural Barriers Diagnosis and Treatment of Personality Disorders Among Hispanics, and many more!

Visit www.apa.org/convention to register for the virtual APA Convention and access these pre-recorded presentations.

COMING SOON!

Look out for Save-the-Dates for our Continuing the Convention series. Live Zoom sessions will be held in September, October, and November.
